## Inspection copies

You can request workbooks on a 10 day inspection basis, so long as goods are returned in original condition and at your own expense. Inspection copies kept for longer than 10 days will be liable for full payment. This offer does not extend to Presentation Media, Teacher Resource CD-ROMs, IB Options CD-ROMs and Model Answers, all of which are provided on a firm sale basis only.

**Keep the inspection copy FREE OF CHARGE** if you place an order for 10 or more copies of the same title (otherwise process the accompanying invoice in the usual way if you wish to keep it).

Call our office to order your inspection copy:  
**01283 553 257**

## Terms of Sale

### 1. Pricing and Availability:

- (a) **Discount Price:** The intent of this discount is to provide each new intake of students with the latest edition at an affordable price. The Discount Price applies when BOTH conditions below are met:
  1. Purchases must be made directly from a BIOZONE sales office.
  2. A minimum of 5 workbooks of the same title must be purchased with the initial order to qualify (subsequent, smaller 'top up' orders are allowed at this price).
- (b) **Regular price (RRP):** Applies to purchases of 1-4 workbooks of the same title.
- (c) **Presentation Media:** Receive a 50% discount on **Environmental Science** when purchased with **Ecology** or the Super Bundle. This offer also applies to customers who have previously purchased Ecology or the Super Bundle. It does not apply to individual download titles.
- (d) While every effort is made to keep this price list up to date, prices may change without notice. Some items may become unavailable for purchase. All CD-ROM / DVD-ROM software titles\* are VAT exclusive. Errors & Omissions Excepted.

### 2. Model Answers Books:

- (a) ONE **FREE** copy of the Model Answers book for the Course Workbooks is supplied with your **FIRST** order of 5 or more Course Workbooks of the same title. Additional copies may also be purchased.
- (b) ONE **FREE** copy of the Modular Workbook Model Answers on CD-ROM is supplied with your first order of Modular Workbooks. Additional copies may also be purchased. This CD-ROM contains the answers for all the titles in the Modular Workbook series. These Model Answers may be printed for use by teachers and students.

### 3. Teacher Resource & IB Options CD-ROMs

These products are supplied as ancillary resources, which are to be used solely in conjunction with Course Workbooks of the same title and edition. As such, a **minimum of 15 copies** (or "book listing") of the corresponding workbooks must be purchased to be eligible to purchase the Teacher Resource CD-ROM or IB Options CD-ROM.

### 4. Placing Orders:

First-time customers **must use this order form**, provide a **purchase order number**, and read and agree to the 'Terms of Sale' and 'Conditions of Use'. This must be sent to our office by fax or mail. It is useful to have an email address of the person placing the order.

### 5. Freight:

Prices do not include freight charges since rates for delivery to different parts of the United Kingdom vary and are invoiced as a separate item. Packages are shipped by **Courier**. Small items may be shipped by **Royal Mail**.

### 6. Dispatch:

Every endeavour is made to dispatch orders the same day they are received. Please allow 3 working days for deliveries to remote areas.

### 7. Payment:

Payments sent with orders are welcome but freight charges will be invoiced. Our preferred method of payment is by BACS, we also accept payment by credit card (all major credit cards except American Express) and cheque. We require a single cheque as payment for orders (please do not send multiple cheques from students). Please DO NOT SEND CASH. Please pay within **30 days** from date of invoice. A **5% finance charge** is liable for each month a payment is overdue. Payment instructions will appear on the invoice. Contact our UK office for more details on payment requirements: [sales@biozone.co.uk](mailto:sales@biozone.co.uk)

### 8. Inspection Copies:

**Requests for inspection copies welcome.** You can request workbooks on a 10 day inspection basis, so long as goods are returned in original condition and at your own expense. Inspection copies kept for longer than 10 days will be liable for full payment. **Keep the inspection copy free of charge** if you place an order for 10 or more copies of the same title. This offer does not extend to Presentation Media, Teacher Resource CD-ROMs, IB Options CD-ROMs and Model Answers, all of which are provided on a firm sale basis only.

### 9. Returned Goods:

Goods are returned at your expense. Returned goods must arrive in original condition otherwise you will be charged for them. Unused workbooks (in original condition) may be returned for a full credit no later than **30 days** following delivery. For goods not issued on an inspection basis, you must first contact BIOZONE Learning Media (UK) for a **Returned Merchandise Authorisation (RMA)** number to return goods. Returned goods will not be accepted nor any credit given without a Return Merchandise Authorisation (RMA) number accompanying the returned goods.

### 10. File downloads:

As the downloading of files is an international service, pricing is charged in an international benchmark currency (US dollars). Presentation Media files are available in PowerPoint® format from our website: [www.biozone.co.uk/order.php](http://www.biozone.co.uk/order.php)

## Conditions of Use

### 11. Copyright

**NOTE: Course Workbooks** = AQA, OCR, Edexcel and Senior Biology Student Workbook titles.

- (a) The Course Workbooks, their Model Answers books, and the Modular Workbooks **MAY NOT BE PHOTOCOPIED, duplicated, or put into any electronic medium**, in part or whole, without the written permission of BIOZONE International Ltd. Absolutely no photocopying is permitted under any photocopy licensing scheme.
- (b) The Modular Workbook Model Answers on CD-ROM includes a limited photocopying licence.

### 12. Presentation Media

**NOTE: Presentation Media** = CD-ROM/DVD-ROM or download title

BIOZONE retains copyright to the intellectual property included in the Presentation Media files, with acknowledgement that certain photos are used under licence and are credited appropriately.

#### You MAY:

- (a) Use the Presentation Media files for presentations in your classrooms using a data projector, interactive whiteboard or overhead projector.
- (b) Place the Presentation Media files on the school's intranet (school computer network), but not in contradiction of clause 12 (g) below.
- (c) Edit and customise the Presentation Media files by adding, deleting, and modifying information to better suit your needs. All copyright notices must be retained on the files.
- (d) Place the Presentation Media files on any computer within the school, including staff laptops.
- (e) Print out the Presentation Media files in PowerPoint® or Keynote® "**Handouts**" mode for the express purpose of allowing students to make their own notes about the presentation.
- (f) Use the Presentation Media files as part of a VLE (Virtual Learning Environment) or a CMS (Content Management System). Access must be restricted to students enrolled on the campus of the registered purchaser. Student access to a VLE or a CMS must be controlled by a user login and password protocol.

#### You MAY NOT:

- (g) Put the Presentation Media files on to the **Internet** or on a service that may be accessed **off-site** from the campus unless access to the service is protected by a user login and password protocol, and is restricted to students enrolled on the campus of the registered purchaser.
- (h) Print the Presentation Media files on to **paper** to make your own **worksheets** for distribution to students.
- (i) **Create a NEW** document using any of the graphics/images in the Presentation Media files.
- (j) Incorporate any part of the Presentation Media files for the production of another **commercial product**.
- (k) **REMOVE** any of the references to BIOZONE, the **copyright notices, photo credits, or terms of use** from the Presentation Media files.

### 13. Teacher Resource & IB Options CD-ROMs

- (a) The User Licence for these products expires on: **31 July 2012**  
Upon expiration of the licence, all use of the materials on the CD-ROMs (printed and/or via computer) must cease.  
**PLEASE NOTE:** The User License for the Senior Biology Teacher Resource & IB Options CD-ROMs expires on 30 June 2012, however UK customers are granted an extension until 31 July 2012.
- (b) The full site licence applies to a single campus of the registered purchaser.
- (c) The files **MAY NOT** be installed on a computer network (intranet or internet) for use at multiple work stations. Files may be installed on to staff computers (includes laptops), with access limited to teaching staff only.
- (d) Copying any files on the Teacher Resource CD-ROM or IB Options CD-ROM to student laptop computers is expressly forbidden, unless a specific licensing agreement has been entered into with BIOZONE International.

#### Teacher Resource CD-ROM

- (e) The following resources may be printed and photocopied for student and staff use within the limitations set by clauses (a) and (b) above.
  - Extra Activity Worksheets
  - Microsoft® Excel® spreadsheets
  - Glossary worksheets
  - Crossword Puzzles
- (f) The Acrobat (PDF) files of the BIOZONE Course Workbooks and Model Answers are supplied in a non-printing format, for viewing purposes only. They may be used with a data projector, only in situations where each student in a class has been issued with a copy of the BIOZONE Course Workbooks.
- (g) The Presentation Media free sample (Mutations) may only be printed on to acetate for the purpose of producing overhead transparencies.

### 14. Teacher's Guide

The **Teacher's Guide** is supplied as an ancillary resource to be used solely in conjunction with Course Workbooks of the same title and edition. It is for staff use only.
