Inspection copies

You can request workbooks on a 30 day inspection basis, so long as goods are returned in original condition and at your own expense. Inspection and approval copies are only sent to educational establishments, not private addresses, and billed c/o your institution. Inspection copies kept for longer than 30 days will be liable for full payment. This offer does not extend to Presentation Media, Teacher Resource CD-ROMs, Teacher's Digital Edition and Model Answers, all of which are provided on a firm sale basis only.

Keep the inspection copy FREE OF CHARGE if you place an order for 10 or more copies of the same title, otherwise process the accompanying invoice in the usual way if you wish to keep it.
